THE MISSOURI BOARD OF PHARMACY AND TODD CAMPBELL**

Come now Todd Campbell, R. Ph. ("Respondent" or "Licensee") and the Missouri Board of Pharmacy ("Board" or "Petitioner") and enter into this Settlement Agreement for the purpose of resolving the question of whether Respondent's license to practice pharmacy will be subject to discipline.

Pursuant to the terms of Section 536.060, RSMo, the parties hereto waive the right to a hearing by the Administrative Hearing Commission of the State of Missouri and, additionally, the right to a disciplinary hearing before the Board under Section 621.110, RSMo, and stipulate and agree that a final disposition of this matter may be effectuated as described below.

Respondent acknowledges that he understands the various rights and privileges afforded him by law, including the right to a hearing of the charges against him; the right to appear and be represented by counsel; the right to have all charges against him proven upon the record by competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing against him; the right to a decision upon the record by a fair and impartial administrative hearing commissioner concerning the charges pending against him and, subsequently, the right to a disciplinary hearing before the Board at which time he may present evidence in mitigation of discipline; and the right to recover attorney's fees incurred in defending this action against his

license. Being aware of these rights provided him by operation of law, Respondent knowingly and voluntarily waives each and every one of these rights and freely enters into this Settlement Agreement and agrees to abide by the terms of this document as they pertain to him.

Respondent acknowledges that he has received a copy of the draft Complaint to be filed with the Administrative Hearing Commission, the investigative report, and other documents relied upon by the Board in determining there was cause for discipline against Respondent's license.

For the purpose of settling this dispute, Respondent stipulates that the factual allegations contained in this Settlement Agreement are true and stipulates with the Board that Respondent's license to practice pharmacy, numbered 2007011415, is subject to disciplinary action by the Board in accordance with the provisions of Chapter 621 and Chapter 338, RSMo.

JOINT STIPULATION OF FACTS

1. The Board is an agency of the State of Missouri created and established pursuant to Section 338.140, RSMo¹, for the purpose of executing and enforcing the provisions of Chapter 338, RSMo.

2. Todd Campbell ("Respondent") is licensed as a pharmacist under the laws of the State of Missouri, License No. 2007011415. Respondent's license was at all times relevant herein current and active.

3. At all relevant times herein, Respondent was employed at Wal-Mart Pharmacy #10-0056 located at 1309 NW 12th Ave., Ava, MO 65608 (the "Pharmacy").

4. On January 11, 2017, Respondent was terminated from his employment at the Pharmacy for theft and diversion of prescription medication.

¹ All statutory references are to the Revised Statutes of Missouri 2016 as amended unless otherwise indicated.

5. Respondent signed a voluntary statement on January 11, 2017, stating that he came into the Pharmacy at 6:00 a.m. on December 27, 2016, while he was not on duty and took 16 amoxicillin 500 mg from the pharmacy's inventory and then left. Respondent alleged he had an infection after a tooth extraction and panicked because his mouth was swollen.

6. Respondent further admitted in the statement that he had no prescription and no authorization from the Pharmacy to be there at that time and he did not pay for the medication.

7. On January 12, 2017, the Board office received a Pharmacist Disciplinary Action Report from the Pharmacy stating that Respondent had taken amoxicillin from the Pharmacy without a valid prescription and without paying and that he was terminated for theft and diversion of prescription medication.

8. Board Inspector Lisa Thompson was assigned to investigate the report.

9. On March 2, 2017, Respondent admitted to Inspector Thompson that his January 11, 2017 written statement "was exactly what happened."

10. On March 5, 2017, he confirmed in writing to Inspector Thompson that he had a tooth removed on December 22, 2016, woke up early with his mouth swollen and in extreme pain on December 27, 2016, and, out of panic, took 16 amoxicillin 500 mg capsules from the Pharmacy.
